There were two items of business:

1. A motion to postpone the Regional Board Meeting scheduled for March 2 by one week to March 9th.
2. Renee Bridwell, Interim Regional Minister, has requested that the Executive Committee approve an increase in the amount of her housing allowance of \$10,320. This would be in addition to the \$14,400 previously approved.

Both items were unanimously approved by members of the Executive Committee.
