Middle and High School Camp – August 5-9

The camp theme for Middle and High School camps will be Imagine and will focus on Kindness. We have identified a need to focus on recreating camp culture post covid. I have been working with the Anti-racism committee on how we might incorporate anti-racism work at camp and Kim Free and I will meet next week to plan staff training around Anti-racism. Bernice has also shared helpful resources with me about this.

I am also working on adding a module to our reducing the risk training about youth on youth abuses.

Alicia Speidel has agreed to be the director of High School camp. I am waiting for confirmation on the Middle School Camp director.

Counselor recruitment is underway for both camps. We are specifically in need of male counselors at this time.

We have signed the contract with Suttle Lake and sent in our deposit.

I am in the study phase of writing curriculum at this point.

Ecumenical Elementary Camp – July 22-26

Sara Staton of Albany FCC is a co-director for this camp and I am hoping to be on staff as a counselor. This camp will be focused on the Fruits of the Spirit.
